SHERIDAN ROSS P.C.
BY: Ginger Barendkamp

Dear Sir:

On January 22, 2004 a surcharge for Submission of Missing Parts and accompanying filing fee was paid by check and sent with a certificate of mailing for the above-identified patent application. However, the incorrect large entity filing fee and surcharge for missing parts amount was paid instead of the proper small entity amount of \$450.00.

The undersigned, as a representative of the assignee of the above-identified application, hereby declares that the assignee of the above-identified invention qualifies as a small business concern as defined by 13 CFR §121 for purposes of paying reduced fees under section 41(a) and (b) of Title 35, United States Code, in that the number of employees of the concern, including those of its affiliates, does not exceed 500 persons. In addition, no rights or claims therefor to the invention are held by any person or entity that would not qualify as a small business concern under 37 CFR §121.

The undersigned hereby declares that all statements made on information and belief are believed to be true; and further that these statements are made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the

STATES AND ENTITY
validity of the application, any patent issuing thereon, or any patent to which this verified statement
is directed.

201 APR 26 AM 10:58
Accordingly, it is requested that a refund of \$450.00 be credited to Deposited Account 19-
1970 to compensate for the overpayment of the issue fee related to the above-identified application.
In the event that a telephone conversation would expedite resolution of this matter, the Examiner is
invited to contact the undersigned.

Respectfully submitted,

SHERIDAN ROSS P.C.
